

**We will find solutions that meet your needs**

**RF Financial Services**

# RF Financial Services

RF Financial Services is a specialist firm dealing in International Financial Planning and Wealth Management. RF Financial Services specialize in Group Pensions, Group Life & Disability and advice to High Net Worth Individuals.

The values behind RF Financial Services are to bring cost effective planning and management of capital in a transparent, easy to understand manner.

At RF Financial Services, we believe that through holistic financial planning at the correct time, clients can develop and achieve a strategic vision looking to the future and maximize the opportunities presented through wealth creation. Whether the wealth creation is instant or built up over time, it is important to work towards a goal with that money. Here at RF Financial Services we pride ourselves in the ability to advise and coach our clients to achieving those agreed strategic goals.

We like to build up a good relationship with each of our clients, where we know them and where they know us and trust our approach.

Things go better with Financial Advisors

RF Financial Services

RF Financial Services is an established Financial planning and wealth management provider, giving advice to clients throughout Zimbabwe and East Africa. We are fully qualified, with extensive experience in providing Offshore Solutions to our clients.

As part of the GlobalNet, we operate in over 43 countries and have in excess of \$6.0 billion of client money under management.

RF Financial Services does not hold client money and as such your investment will be guaranteed by investor protection regulation of the jurisdiction of your investment irrespective of your country of residence.
